Kannur, Kerala | P: +91 9995173145 | nanmamanoj7969@gmail.com | linkedin Profile

SUMMARY

I am a dedicated post graduate specialised in Cyber Security,Cloud computing and Data analytics with a strong focus on protecting information systems, threat detection, and risk management. I am actively seeking an internship or job opportunity to apply my knowledge, expand my skillset, and gain hands-on experience in these fields.

EDUCATION

YENEPOYA UNIVERSITY Mangalore, Karnataka
Masters in Cybersecurity , Cloud computing and Data analytics. Dec 2022 - Aug 2024

YENEPOYA UNIVERSITY Mangalore, Karnataka
Bachelors in Forensic Science (Hons). Dec 2019 - Jun 2022

S N VIDYA MANDIR
PUC 2017-2019
SSLC 2016

EXPERIENCE

CFSS Cyber & Forensic Security Solutions. March 2024 - April 2024
SOC Analyst Intern

Studied methodologies for analyzing logs to differentiate between normal and suspicious activities. Developed theoretical knowledge of threat detection techniques and the implications of encrypted versus unencrypted communications, enhancing understanding of incident response in a Security Operations Center.

Oasis Infobyte Feb 2024 - March 2024
Data Analyst Intern
As a part of this Internship I was able to successfully complete 3 projects - Credit card fraud detection using ML with 92% accuracy, Sentimental analysis on twitter tweets to detect hateful comments with 88.2 % accuracy and finally an Exploratory data analysis(EDA) for an online retail company based in the UK , in which I analyzed sales performance for a time period of 8 months.

Revathi, LLC Oct 2023- Nov 2023
Cybersecurity Intern
Completed the internship with a robust understanding of cybersecurity principles and practical applications.

District crime branch,Kannur,Kerala
Helped me acquire immense knowledge in Forensic Photography , Question Document and finger print analysis.

SKILLS

Technical Skills:

- GRC
- Solid understanding of data privacy
- Data security principles and frameworks like NIST,ISO,GDPR,PCIDSS,HIPAA
- OWASP Top 10
- Risk identification and management
- DFIR
- SIEM,SOAR
- EDR
- Incident response
- Computer Networking
- Cloud security
- Threat Hunting
- Computer Forensic

Soft skills :

- Effective communicator
- Detail oriented
- Team working
- Task focused
- Interpersonal skills
- Continuous learning.
- Analytical Thinking
- Adaptability

Languages: English, Hindi and Malayalam.

UNIVERSITY PROJECTS

BUILDING MALWARE USING PYTHON :KEYLOGGER,RANSOMWARE & REVERSE BACKDOOR

- Successfully implemented keylogger , ransomware and reverse backdoor functionalities, showcasing the capabilities of these malware .And provided valuable insights into how these malware types operate, enhancing understanding for cybersecurity professionals to better defend against them.

CREDIT CARD FRAUD DETECTION USING ML

- Made a logistic regression model to detect whether a transaction is genuine or not.
- The model was successful in detecting fraudulent transactions with an accuracy of 92%.

SAFEWAY

- SafeWay is a data-driven technology that assures traveler safety.It utilizes the modern data analytics technique to map out crime hotspots , accident prone area and natural disaster prone areas into a user friendly interface.

CERTIFICATES

- Introduction to SIEM (Splunk)
- Security Operations Center (SOC)
- Introduction to Data Analytics
- The GRC Approach to Managing Cybersecurity

EXTRACURRICULAR ACTIVITIES

OWASP YENEPOYA Yenepoya , Mangalore
Vice President Apr 2024 – Aug 2024

- As a part of mangalore's first ever OWASP student chapter , we have Created a supportive community for students passionate about cyber security. This fosters knowledge sharing, collaboration, and peer-to-peer learning.

YENOVA Yenepoya, Mangalore
Membership Coordinator April 2024 – Aug 2024

- Helped to organize an IBM Hackathon as a part of IBM ICE day celebration.
