PROJECT

The Juvenile Justice System in India - An Analytical Study

In this project, I conducted extensive research on the juvenile justice system from both Indian and international perspectives, meticulously analyzing cases pertaining to this domain. Additionally, I also Researched the Law Commission report, thoroughly examining its recommendations concerning the juvenile justice system.

PAPER PRESENTED

Presented a paper on '**Intellectual property Rights'** at an International conference organized by **National Law University, New Delhi**.

INTERNSHIP

1. The Lokayukta Uttar Pradesh, Lucknow

- Conducted fieldwork to analyze the functioning of government offices in relation to case management.
- Conducted in-depth document review to extract relevant information for research purposes.

2. The District Consumer Forum and District Court, Lucknow

- Conducted comprehensive analysis of appeals and conducted rigorous research to verify facts, ensuring accuracy and integrity in legal proceedings.
- Actively participated in court proceedings, gaining first-hand exposure to legal proceedings and honing skills in legal research and drafting to support the development of sound and persuasive legal arguments.

CONFERENCE ATTENDED

- Attended a National Seminar on **"Intellectual Property Rights "** organized by the **Shri Ramswaroop Memorial University, Uttar Pradesh, Lucknow**.
- Participated in National Webinar on **"Constitutional Law"** organized by **Amity Law School Lucknow Campus.**

PROFESSIONAL SKILLS

- Embracing new challenges as opportunities for growth and demonstrating a proactive approach to tasks.
- Good communication skills, both orally and in writing, with a natural ability to articulate complex ideas effectively.
- Sound understanding of legal concepts, displaying a strong command of the principles and intricacies of the law.
- Sound knowledge of laws and legal framework.
