Profile

With a strong academic foundation in Accounting & Finance (B.Com Honors) and around two years of hands-on experience in payroll processing as an Executive, I have honed my expertise in financial management and compliance. Additionally, my tenure as an Internal Auditor at a renowned jewelry enterprise has provided me with a good exposure in process optimization & financial integrity This diverse experience has equipped me with a keen analytical mindset, attention to detail, and the ability to navigate complex financial structures. With a passion for continuous learning and professional growth, I am eager to explore new opportunities and contribute effectively to dynamic financial environments.

Work Experience

Infomap Solution Pvt. Ltd.
Payroll Executive

MAY 2024 TO JULY 2024

In my just previous role, I was responsible for managing an internal CRM system for employee data management. For Indian-based branches(As Client : Levis) cluster managers submitted payroll data as like Gross Salary, Balance Payment, Leave Balance, Employment Data with that I will be move forward with the detail, then validated after which will be proceed on monthly payroll . Additionally, I handled any queries or updates related to payroll, ensuring accuracy and compliance.

Vasudevan & Co-Chartered Accounts
Auditor

OCTOBER 2023 TO JANUARY 2024

I was a dedicated Junior Internal Auditor at Bhima Jeweler's, committed to maintaining their financial integrity. Specializing in Purchase Accounting, I ensure transactions are accurate and meet regulatory standards. I have played a vital role in smoothly executing the Old Gold Payment Scheme, adept at reconciling accounts and safeguarding financial assets. In conclusion there I was working on Auditing, Purchase accounting & Handling old gold process .

Ascent Consulting Services Pvt. Ltd
