Objective

MBA Finance graduate with practical knowledge in payroll processing, management accounting, and financial reporting. Transitioning from a 2-year consulting role at Synechron, where I managed onboarding compliance, HR reporting, and stakeholder coordination. Certified in Payroll Processing in India (Basic & Professional Levels) and experienced in Excel-based dashboards, MIS reports. Proven ability to apply analytical and financial skills across HR and finance functions. Actively seeking roles in financial analysis and payroll management.

Experience

- **Synechron Technologies Pvt Ltd** May 2023 - May 2025
  Consultant
  - Managed onboarding compliance and documentation aligning with payroll and HR audit requirements.
  - Maintained candidate data records and dashboards using MS Excel, supporting monthly reports and workforce cost tracking.
  - Assisted with internal payroll documentation by collecting and validating employee records.
  - Coordinated with cross-functional teams (IT, Admin, Finance) to ensure timely provisioning, compliance, and resource allocation.
  - Supported end-to-end recruitment operations and tracked hiring budgets, contributing to cost-effective workforce planning.
  - Prepared recruitment metrics and manpower reports to support decision-making and staffing forecasts.
  - Utilized AI tools (Copilot, ChatGPT, Nexus AI) to automate repetitive tasks and generate formatted reports.
  - Collaborated with payroll teams to cross-verify CTC structures, employee tax details, and PF/ESIC registrations.
  - Supported internal compliance checks for onboarding and HRIS-related data integrity.

- **Shivganesh Finance** June 2021 - Nov 2021
  Finance Intern
  - Supported staff with data entry, billing support, and reconciliation tasks.
  - Participated in preparing financial reports and analysis using real-time company data.
  - Collaborated on group presentations, demonstrating teamwork and problem-solving in financial decision contexts.

Education

- **Savitribai Phule Pune University** 2022
  Master of Business Administration in Finance
  83

- **Solapur University** 2020
  Bachelor of Business Administration in Finance
  84

Skills

- Payroll Documentation & Compliance
- Financial Analysis & Reporting
- Excel: VLOOKUP, Pivot Tables, Data Validation
- AI Tools: ChatGPT, Nexus AI, Gemini AI
- Tally ERP, MIS, CCA

Projects

- **Financial Company Selection Project**
  - Researched factors used by financial advisors when selecting companies for investment.
