SUMMARY

To become an Audit and compliance professional and to work in an organization that provides a platform in which all my skills and knowledge can be utilized, to maximize the growth and expansion of the organization.

EXPERIENCE (Total - 2 Years)

1. Protechmanize Solutions Pvt Ltd. May 2024 - Present

GRC associate consultant

- Assigned as a GRC Associate Consultant for the IT Infrastructure team at a leading bank to support and manage internal and external audits, ensuring timely remediation of observations to maintain compliance.
- Identified, remediated, and addressed audit findings across various assessments, including Internal Audits, Operational Risk Reviews, and Risk and Control Self-Assessments (RCSA), enhancing overall IT compliance and risk posture.
- Ensured ongoing compliance with regulatory frameworks and standards such as RBI advisories, PCI DSS, and internal Key Risk Indicators (KRIs), aligning IT practices with evolving governance requirements.
- Partnered with cross-functional teams to develop and implement risk mitigation strategies, driving continuous risk monitoring and maintaining audit readiness across the IT infrastructure landscape.

2. Deloitte Touche Tohmatsu LLP Nov 2022 - Nov 2023

Third party risk assurance intern

- Served as a Third-Party Risk Assessment (TPRA) Auditor, executing SOC 1 and SOC 2 audits for multiple clients across various industries.
- Assessed and validated the effectiveness of control implementations related to SOC reporting requirements, ensuring alignment with ISO 27001.
- Conducted over four comprehensive SOC audits, evaluating multiple control objectives and audit points, and accurately documenting audit findings and supporting evidence.
- Ensured timely identification of control gaps, communicated risks to stakeholders, and supported remediation planning to strengthen clients' risk and compliance posture.
