SUMMARY

Academically distinguished law graduate with in-depth knowledge in corporate law, regulatory compliance and contract management, with close to one year of professional experience along with internship in legal operations, specializing in document review, contract analysis and regulatory compliance. Gained significant exposure at a Tier 2 global investment bank as a Legal Specialist, where I reviewed and analyzed over 250 complex Derivative Agreements and Financial Contracts with 98% accuracy under tight deadlines. Proficient in identifying legal risk, ensuring contract compliance, managing contract data and collaborating cross-functionally with legal and risk teams. Well-versed in corporate law, the Insolvency and Bankruptcy Code (IBC), Companies Act and labor laws. Experienced in using Microsoft Office Suite and contract lifecycle management (CLM) tools for documentation and reporting. A strong communicator with a proactive and analytical mindset, seeking entry-level roles in legal and compliance functions to support risk-mitigated, detail-driven legal solutions in a corporate environment.
