Professional Experience

Legal Trainee

Catalyst Bizz., Mumbai [*Jul'2022 – Present]*

- Drafted and vetted over contracts, including commercial agreements, NDAs, MSAs, and employment contracts with clear legal structuring.
- Handled **end-to-end contract lifecycle management (CLM)** — including redlining, version tracking, audit trail maintenance, renewal tracking, and clause comparison.
- Conducted **legal research** across multiple domains: digital marketing regulations, advertising law, content rights, employment law, and the POSH Act.
- Maintained structured, detail-oriented records using Advanced Excel, enabling efficient backtracking, version history, and quick reference.
- Operated in a dynamic startup environment, taking ownership across multiple legal areas to build streamlined processes and ensure timely legal delivery.
- Supported **due diligence activities**, and built collaborative alignment across cross-functional teams by driving **stakeholder communication**.
- **Trusted as the primary communication channel between clients and legal**, ensuring aligned expectations, timely inputs, and smooth contract flow.

Legal Intern

Maru Consultancy Services, Mumbai [*Jan'2022 – Jun'2022]*

- Supported the legal team with basic contract formatting, document filing, and version tracking.
- Helped update internal spreadsheets for contract status, timelines, and approvals.
- Engaged in diverse legal research initiatives to support advisory, documentation, and compliance functions across organizational operations.
- Research on various topics on clients requirements.

Education

- **BLS LL.B (5 year integrated course) -** VES College of Law, Chembur - July'24
