Professional Summary

Dynamic Payroll Functional Consultant with over 13 years of HR and payroll management experience in manufacturing, automotive, and heavy fabrication industries. Proven success in HRMS implementation, payroll process optimization, and statutory compliance automation across multi-unit organizations with 1200+ employees. Skilled in bridging the gap between business needs and technology through configuration, testing, and data-driven HR analytics. Adept at implementing scalable payroll solutions using Thread HRMS, Hoshi HRMS, and Spine HR.

Professional Experience

Payroll Functional Consultant (HR Manager Role), Rane Axle and Pressing Pvt. Ltd., Pune

11/2022 - Present

- Managing Thread Sensys HRMS across 9 manufacturing units with 1200+ employee payrolls.
- Gathering business requirements, performing system configuration, and executing functional testing for payroll workflows.
- Conducting audits to ensure 100% statutory compliance (PF, ESIC, PT, LWF, Factory Act).
- Designed and implemented payroll accuracy validation systems, reducing manual errors to less than 1%.
- Supporting HR analytics, time management integration, and multi-plant data migration.

Sr. HR Executive (Payroll Lead), GSH India Pvt. Ltd. (Suzuki Motors, Gujarat), Gujarat

09/2017 - 10/2022

- Oversaw payroll for 550+ employees using Hoshi HRMS.
- Collaborated with IT and finance teams to integrate payroll with compliance and accounting systems.
- Conducted UAT (User Acceptance Testing) during HRMS upgrades and provided user training sessions.
- Implemented process improvements that enhanced payroll cycle efficiency by 25%.

HR Executive (Payroll Operations), Swacha Services Pvt. Ltd. (Mahindra & Mahindra VML), Pune

05/2012 - 08/2017

- Managed payroll for 200 employees through Spine HRMS.
- Transitioned organization from manual payroll to automated HRMS platform.
- Ensured timely statutory submissions and employee grievance resolution.
- Supported audit readiness and process documentation.
