Career Objective

To build a successful career as an **MIS Executive**, leveraging my knowledge of **ERP software, office management, and data handling** to enhance operational efficiency. I aim to contribute to organizational growth by applying strong problem-solving skills, effective communication, and a commitment to continuous learning.

Skills

- **ERP Knowledge:** Basic understanding of ERP software for business process management.
- **Problem Solving:** Ability to analyze operational issues and implement practical solutions.
- **Team Collaboration:** Strong coordination skills with cross-functional teams to achieve goals.
- **Communication:** Clear written and verbal communication for smooth information flow.
- **Time & Task Management:** Skilled at prioritizing tasks and meeting deadlines in fastpaced environments.
- **Adaptability:** Quick learner, flexible in handling new technologies and operational changes.
- **Attention to Detail:** Ensures accuracy and consistency in records, reports, and documentation.

Key Skills

- Office & Administrative Management
- ERP Software (Basic knowledge of business modules)
- Data Entry & MIS Reporting
- Contract handling and termination workflows.
- Vendor & Inventory Management
- Team Coordination & Communication
- Scheduling & Documentation
- MS Office (Excel, Word, PowerPoint, Outlook)
- Google Suite & Email Communication

Experience

MIS Executive
DMC Finishing School Pvt. Ltd., Pune
March 2025 – Still 2025

- Utilized **ERP software** for maintaining records, monitoring operations, and supporting data-driven decision-making.
- Supported **stipend processing** for trainees and interns.
- Managed day-to-day operations, ensuring efficiency in office administration and support functions.
- Handled **vendor coordination and inventory control**, reducing delays and improving resource utilization.
- Prepared and maintained accurate **MIS reports, records, and documentation** for management review.
- Coordinated effectively between departments, staff, and external stakeholders to streamline processes.
- Supported senior management with scheduling, reporting, and compliance of organizational procedures.
