INTERNSHIPS / PROFESSIONAL EXPERIENCE

1 June 2025- 30 June 2025	**Legal Intern, Rahul & Jayshri Associates** ● Assisted in drafting and reviewing commercial contracts, including partnership agreements, service agreements, NDAs, and MoUs, ensuring clarity of obligations and risk mitigation. ● Conducted research on company law, regulatory compliance, corporate governance, and issues relating to director duties under the Companies Act, 2013. ● Supported due diligence exercises by preparing checklists, verifying documents, and identifying compliance gaps in client records. ● Prepared case notes, legal opinions, and research briefs on contractual interpretation, indemnity, limitation clauses, and related commercial law principle
25th July 2023 – 15th March 2025	**Student Coordinator, ILS Legal Aid Centre** ● Coordinated multiple legal outreach initiatives, gaining practical exposure to statutory compliance frameworks, government processes, and community-level legal implementation. ● Managed 14 PMC Legal Aid Camps and two village camps, which involved explaining legal rights related to property documentation, family settlements, contracts, and governmental compliance. ● Assisted in drafting basic legal documents and awareness materials, strengthening understanding of contractual rights, liabilities, and procedural compliance. ● Participated in the State-Level Legal Aid Clinic, closely observing how regulatory schemes such as labour laws, child protection laws, and women-centric legislation operate in practice. ● SwissAid training sessions enhanced capacity in policy implementation, stakeholder coordination, and compliance with statutory guidelines. ● Exposure to institutional functioning (e.g., Yerawada Open Prison) broadened understanding of institutional compliance, administrative law, and governance mechanisms.

15th June 2024 – 15th July 2024	**Legal Intern, Adv. S. S. Thombare (High Court Judge,Nagpur Bench)** ● Drafted civil and criminal pleadings with a focus on contractual disputes, recovery suits, enforcement of commercial obligations, and procedural compliance under the CPC and CrPC. ● Conducted research on matters involving specific performance, breach of contract, execution of decrees, property and commercial implications, strengthening practical exposure to commercial litigation. ● Assisted in preparing documents relevant to statutory timelines, limitation, procedural requirements, and regulatory compliance applicable before the Aurangabad Bench of the Bombay High Court. ● Researched using industry-standard databases, enhancing skills in identifying financial liabilities, legal risks, and relevant commercial precedents.
17th January 2024 – 2nd February 2024	**Student Coordinator, Narmada Bachao Andolan** ● Prepared detailed reports assessing backwater levels, displacement data, rehabilitation compliance, and statutory obligations under environmental and land acquisition legislation. ● Contributed to a situational report analysing socio-economic impact, compensation norms, government policy implementation, and financial implications of large-scale public projects. ● Gained hands-on understanding of the intersection of public finance, regulatory compliance, environmental governance, and socio-legal obligations, useful for policy and corporate compliance roles.
17th November 2023 – 15th January 2024	**Legal Intern, Adv. Chinmay Inamdar (Sessions Court, Pune)** ● Drafted legal documents in civil and criminal matters, with exposure to cases involving commercial fraud, breach of trust, recovery disputes, and contract enforcement. ● Attended hearings and understood procedural requirements essential for risk assessment, regulatory compliance, and enforcement of commercial obligations. ● Conducted legal research focusing on evidentiary standards, contractual liabilities, and financial disputes, building strong analytical and drafting skills.

1st October 2022 – 30th October 2022	**Legal Intern, Parshurami Legal Advocates and Consultants, Mumbai (Virtual)** ● Assisted in drafting and reviewing documents relating to contracts, compliance, and corporate advisory matters. ● Completed research on the Insolvency and Bankruptcy Code (IBC), gaining insights into corporate restructuring, financial recovery mechanisms, debt resolution, and creditor–debtor rights. ● Analysed the Arms Act from a regulatory and compliance perspective, understanding how statutory permissions, licensing, and due-process obligations operate in practice. ● Worked on case briefs and drafting assignments that strengthened an early foundation in company-related compliance, due diligence, and regulatory frameworks.
