SUMMARY

Payroll & Financial Analyst with 8+ years of experience in payroll systems, audit coordination, and process automation. Proven expertise in US payroll compliance, financial audits, and recovery initiatives with a strong focus on accuracy, confidentiality, and efficiency. Skilled at acting as a liaison during audits, preparing documentation, and ensuring compliance with internal and external requirements. Adept in advanced Excel, stakeholder collaboration, and process improvements.

WORK EXPERIENCE

Senior Auditor, Cotiviti **2023 – present**

- Improve audit accuracy by identifying discrepancies in Amazon transactions, leading to successful financial recoveries.
- Ensure VFCC contract compliance by collaborating with vendors and internal teams, strengthening trust and adherence.
- Contribute to a Pricing project, analyzing vendor–Amazon transactions daily and identifying claims that directly add to recovery outcomes.
- Support audit readiness by preparing required documentation, responding to auditor queries, and helping management close gaps quickly.
- Deliver detailed audit reports with insights that management uses to improve processes and compliance.

Payroll Analyst, ADP Pvt Ltd **2018 - 2023**

- Contributed to US Payroll implementation projects, ensuring accurate configuration of tax jurisdictions, Social Security, Medicare, unemployment taxes, and multi-state compliance requirements.
- Managed system setup and data migration, resolving discrepancies related to tax withholdings, 401(k) contributions, and other deductions to ensure a smooth transition from legacy systems.
- Utilized Blue Prism automation to streamline payroll configuration, testing, and reconciliations during implementation, reducing manual setup time and post-go-live adjustments.
- Collaborated with clients, technical teams, and third-party vendors to design payroll workflows, validate calculations, and address escalated issues during UAT and parallel testing phases.

- Defined and maintained role-based access controls in the new payroll system to enhance data security and workflow integrity post-implementation.
- Directed testing and validation of payroll system enhancements, integrations, and custom reports, ensuring accurate transfer of tax and employee data with zero post-deployment errors.

Customer Excellence Advisor, Tech Mahindra **2017 – 2018**

- At Tech Mahindra, I supported Three UK, a British telecom provider, by resolving customer inquiries related to SIM cards, network issues, and mobile contracts.
- I also handled contract renewals and offered competitive deals to enhance customer satisfaction.

Customer Care Representative, Proctor & Gamble **2016 - 2017**

- Resolved customer inquiries across multiple channels (phone, email, chat) for P&G, ensuring efficient issue resolution.
- Managed and addressed complaints on Facebook using "Sprinklers," maintaining customer satisfaction and brand reputation.
