PROFESSIONAL EXPERIENCE

Capgemini | Intern **Dec 2024 – Present | Pune, India**

A year-long quarterly rotational internship, gaining cross-functional experience in marketing, finance, operations, and product development, with exposure to campaigns, budgeting, process management, and innovation practices or leading global clients.

Quarter 1 (Jan – Mar) – Marketing: Digital Campaign & User Experience Optimization (Nordsee)

- Conducted user research via surveys, interviews, and social media analysis to identify app pain points and customer preferences.
- Recommended UI/UX improvements and personalized meal suggestions, reducing cart abandonment by 15% and increasing repeat orders.
- Supported smart notifications and loyalty program enhancements to drive engagement and brand loyalty.

Quarter 2 (Apr – Jun) – Finance: Product Analytics & Change Request Prioritization (HSBC)

- Analyzed product usage data and drop-off points to identify cost efficiencies and ROI on digital banking features.
- Assisted in developing a change request prioritization framework to streamline product updates and reduce delivery delays.
- Maintained dashboards and reports for senior stakeholders to inform strategic decisions.

Quarter 3 (Jul – Sep) – Operations: Supply Chain & Inventory Optimization (Nordsee)

- Collected and analyzed historical sales and inventory data to optimize stock levels and reduce food wastage.
- Designed demand forecasting models based on seasonal trends and promotional campaigns, improving inventory accuracy.
- Standardized reporting processes across outlets, enabling faster operational decisions and timely replenishment.

Quarter 4 (Oct – Dec) – Product Development: Smart Ordering Platform Enhancement (Nordsee)

- Supported end-to-end product lifecycle: requirement gathering, feature documentation, sprint planning, testing, and deployment.
- Implemented features such as live order previews, queue management integration, and loyalty program improvements.
- Collaborated across UX, development, QA, and operations teams to deliver a seamless customer and staff experience.

Coal City Urban Bank Pvt Ltd. | Intern **Aug 2023 – Sep 2023 | Chandrapur, India**

- Collaborated with the finance team in preparing financial statements
- Ensuring that all financial statements comply with regulatory requirements and accounting concept.
- Preparing internal report for management review.
- Assisted in the preparation of financial statement including income statement, balance Sheet and cash flow statement.
