PROFILE

HR professional with 1.9+ years of experience in IT and non-IT recruitment, HR operations, and payroll management. Proficient in HRMS platforms, with a strong track record of converting interviews into successful hires. Skilled in onboarding, employee relations, grievance handling, performance management, and statutory compliance, including PF, ESIC, PT, and TDS filing. Experienced in payroll processing and vendor coordination for administrative activities. Experienced in leading teams and managing client relationships, with a focus on improving HR processes, strengthening workforce engagement, and supporting organizational goals.

PROFESSIONAL EXPERIENCE

Arpanet Internet Soft Private Limited, *Human Resources Executive* 06/2025 – Present | Pune, India

- Managed end-to-end HR operations, including recruitment (IT & Non-IT), onboarding/offboarding, documentation, and complete employee lifecycle management.
- Processed payroll with precise salary structuring, TDS & PT deductions, and generated accurate salary slips.
- Maintained employee records, onboarding/offboarding data, and recruitment tracking using GreytHR, Google Docs, and Google Sheets.
- Executed full-cycle recruitment: sourcing, screening, interview coordination, offer management, and seamless onboarding.
- Prepared and administered HR documentation including offer letters, appraisal letters, confidential agreements, policies, and exit forms.
- Designed and implemented HR policies and Code of Conduct (HR Policy, Leave Policy, Workplace Conduct, Employment Guidelines) aligned with ISO 9001 standards.
- Monitored and calculated attendance and leave using ESSL biometric system, ensuring compliance and accuracy.
- Conducted background verification of new joining employees to ensure compliance and trustworthiness.
- Shared weekly attendance reports with employees and management, and provided daily recruitment updates to management for decision-making.
- Planned and conducted employee engagement initiatives such as Fun Fridays, team lunches, and outdoor games to enhance employee morale and workplace culture.
- Implemented Employee of the Month program, collecting manager feedback to recognize high performers.
- Streamlined HR documentation and approvals via PandaDoc, improving efficiency and reducing processing time.
- Coordinated with vendors for HR and administrative services to ensure smooth office operations.
- Handled grievance management, employee relations, and performance support to maintain a positive and productive work environment.
- Supported daily administrative operations to ensure seamless office functioning and HR process continuity.

RAS Foirne HR Solutions Pvt. Ltd., *HR Executive* 11/2024 – 06/2025 | Pune, India

- Managed end-to-end payroll with accurate TDS, PF, ESIC, PT deductions, and completed PF/ESIC registration, along with timely statutory filings. Maintained attendance, calculated benefits, and created CTC structures as per compliance.
- Prepared offer letters, contracts, salary slips, Form 16, and exit documents. Handled EPF/ESIC formalities and supported smooth onboarding through HR policies and handbooks.
- Led a 3-member team, addressed employee queries, supported engagement activities, and worked with management on HR best practices and training needs.
- Executed BGV checks, maintained confidentiality, managed consents, and created verification documentation as per company standards.
- Handled end-to-end recruitment for IT & non-IT roles using Naukri, LinkedIn, and Indeed. Created JDs, conducted interviews, ensured timely closures, managed campus drives, and maintained client relationships as an Account Manager.
