SUMMARY

Dedicated legal professional with more than 3 years of experience in the domain of **Risk, Compliance and Internal Audits**, specializing in Indian and International regulatory frameworks and corporate governance. Detail-oriented and proactive, with strong analytical, documentation, and time management skills. Aspiring to specialize in compliance and regulatory frameworks on a global level, enhancing global risk management expertise.

WORK EXPERIENCE

Cummins India Limited) *Pune, Maharashtra*
Junior Manager- Law *(August 2025-Present)*

- **Developed and presented compliance performance review PPTs** for leadership, highlighting risk areas, non-compliances, and closure status thereby, analysed and summarised large compliance datasets to support senior management decision-making.
- Formulated a Power BI dashboard to **automate reporting, standardise data**, and improve compliance tracking visibility.
- **Implemented the compliance requirements for new units** and plant expansions, including regulatory registrations and license tracking, especially under EHS and Labour laws by **collaborating with cross-functional teams** to ensure compliance integration in new setups.
- **Conducted quarterly training sessions** for 100-150 employees to ensure smooth and effective use of the compliance portal.
- Monitored 13 audits during execution and **managed audit observations** post-review by coordinating with multiple stakeholders.
- Coordinated with stakeholders to ensure end-to-end resolution of audit findings and achievement of full statutory compliance.
- Acted as the **primary SPOC** for compliance portal queries, resolving user issues related to tasks, documentation, and statutory applicability.

JSW Energy Private Limited (O2 Power Private Limited) *Gurgaon, Haryana*
Compliance Executive- Operations & Maintenance *(August 2024-August 2025)*

- **Conducted compliance audits** for 12+ renewable energy projects (manufacturing units), including solar and wind plants, ensuring adherence to Regulatory, EHS and Labour Welfare standards.
- **Led the development and implementation** of a new vendor compliance portal, enabling contractors to seamlessly upload documents and facilitating real-time automated review and verification.
- **Drafted** reply to the legal notices and communications for the authorities, thereby ensuring timely and accurate regulatory filings.
- **Filed periodic returns** under key labour laws such as CLRA, Factories Act, Payment of Wages Act, 1936, etc. across multiple states.
- **Reviewed 20+ compliance documents** monthly such as wage register, muster roll, workmen register, PF and ESIC documents, etc of all the contract workers to ensure that the sites are completely compliant with the current labour laws in terms of minimum wages, leaves and working conditions.
- **Prepared compliance dashboard** for reporting tasks and audit reports for internal stakeholders and external audits and provided training to the users.
- **Ensured compliance management**, **mitigated risks and ensured adherence** of the laws during the Project and Operations & Maintenance phase and gained an understanding in Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996, Contract Labour (Regulation and Abolition) Act, 1970, Factories Act, 1948, Minimum Wages Act, 1948 and other Labour laws.

Legasis Private Limited *Pune, Maharashtra*
