SUMMARY

Detail-oriented and analytical MCA graduate with hands-on experience as a Data Science Intern and Web Development Intern. Skilled in Excel, SQL, and data analysis, with experience in handling large datasets, data validation, and reporting. Possess a good understanding of payroll concepts, salary structure, and statutory compliance. Committed to ensuring accuracy and efficiency in payroll processing.

EDUCATION

Masters Of Computer Application (MCA) **2023 - 2025**

Abhijit Kadam Institute Of Management And Social Science, Solapur.
CGPA : 8.47

Bachelor Of Computer Science **2020 - 2023**

D. H. B Soni Collage, Solapur.
Percentage: 71.61%

EXPERIENCE

Data Science Intern - *SevenMentor Pvt.Ltd* **Aug 2025 – Jan 2026**

- Worked on Diabetes Risk & Lifestyle Analysis project using Python, SQL, and Power BI.
- Performed data cleaning, preprocessing, and feature engineering using Pandas & NumPy.
- Analyzed healthcare datasets to identify patterns affecting diabetes risk.
- Developed a risk scoring model to evaluate patient health conditions.
- Designed an interactive Power BI dashboard for visualization and insights.
- Improved data-driven decision-making through analytical reporting.

Web Development Intern - *Nextifive Technologies* **Feb 2025 – May 2025**

- Contributed to the development of a Hospital Management System by building and integrating frontend and backend modules.
- Developed web components using PHP, HTML, CSS, and JavaScript, ensuring responsive and user-friendly interfaces.
- Managed and optimized database operations using MySQL for efficient data storage and retrieval.
- Collaborated with the development team to debug issues and enhance overall system performance.

PAYROLL KNOWLEDGE

- Payroll Structure (CTC, Gross Salary, Net Salary)
- Earning and Deduction (Basic, DA, HRA, PF, ESIC, PT, MLWF)
- Statutory Compliance: PF, ESIC, Professional Tax, MLWF
- Payroll Inputs: Attendance, Leave, Bonus, One-time payments
- HRA, Gratuity, Leave Encashment concepts
- Arrears (Attendence Arrear, Salary Arrear)

TECHNICAL SKILLS

- **Programming :** SQL , Python(Pandas, NumPy) , PHP.
- **Excel:** SUM, IF, VLOOKUP, XLOOKUP , Pivot Tables, COUNTIF , Data Validation & Data Cleaning.
- **SQL:** Basic queries for data extraction and validation
- **Tools:** MS Excel, MS Office, MS SQL Server, Power BI, PowerPoint, GitHub.
- **Data Handling:** Data Validation, Data Cleaning, Data Accuracy
- **Areas Of Interest :** Payroll Analyst, Data Analysis, Data Visualization, Compliance, Business Intelligence.

PROJECTS

Diabetes Risk & Lifestyle Analysis

- Analyzed healthcare dataset using Python (Pandas, NumPy) and SQL to identify patterns affecting diabetes risk.
- Performed data cleaning, preprocessing, and feature engineering to improve data quality.
- Developed a risk scoring approach to evaluate patient health conditions.
- Built an interactive Power BI dashboard to visualize trends and support data-driven insights.

Hospital Management System

- Contributed to the development of a web-based system using PHP, HTML, CSS, JavaScript, and MySQL.
- Performed extensive database design and operations using SQL, including data insertion, retrieval, and query optimization.
- Wrote and executed complex SQL queries to manage patient records, appointments, and hospital workflows.
- Implemented backend functionalities with a strong focus on data handling and database management.
- Ensured efficient integration between frontend and backend components.

Pizza Ordering System

- Developed a web-based pizza ordering system with user registration and login functionality.
- Enabled customers to browse menu, place orders, and manage their accounts.
- Designed an admin panel to manage menu items, track orders, and analyze sales data.
- Implemented backend logic using ASP.NET and C#, with SQL Server for database management.
- Ensured efficient data handling and a user-friendly interface.

ACHIEVEMENTS

- **MS-CIT**
- **Industrial Training Certification** - From NMR Generic Software Solution.
- **Data Analytics & Visualization: Using Excel & Python** - Udemy
- **Data Analytics Masters 2025: From Basics To Advanced** - Udemy
- **Python** - SevenMentor PVT Ltd.
- **SQL** - SevenMentor PVT Ltd.
- **Power BI** - SevenMentor PVT Ltb.
- **Statistics & Probability** – SevenMentor PVT Ltd.
- **SQL (Basic)** - HakerRank
