OBJECTIVE

International Payroll Specialist with extensive experience managing multi-country payrolls (UK, Ireland and Canada). Proven ability to coordinate with foreign clients and a track record of maintaining a 99% accuracy rate for high-volume environments (60000+ employees). Expert in Workday or SAP and skilled at navigating diverse legislative requirements to maintain global compliance. Recently spearheaded a transition team, successfully moving from trainings, Ramp ups to a seamless 'Go-Live' launch with zero disruption to pay cycles.

EXPERIENCE

March 2024 - Still continuing

- **Payroll Specialist**
  Infosys BPM
  End-to-End Payroll Management: Directed and executed comprehensive end-to-end payroll operations for Compass UK and Ireland utilizing SAP, ensuring 100% accuracy and compliance with UK legislation. Worked on weekly and biweekly payroll.

  Complex Compensation Processing: Administered core and variable pay elements, including basic pay, bonuses, commissions, allowances, spread-overs, and overpayment.

  Statutory Absence Administration: Managed statutory leaves and pay calculations for short-term and long-term sickness (SSP), maternity (SMP), and paternity (SPP).

  Compliance & Statutory Filing: Oversaw critical statutory processes including garnishments/court orders and P45 forms.

  Reporting: Extracted and analyzed advanced SAP payroll reports to support audits and financial reconciliation. Handled MBR meetings with clients.

  Stakeholder Management: Resolved complex payroll inquiries from employees and managers promptly, maintaining high service level agreements (SLAs) and stakeholder satisfaction.

  HRIS & Tools Expertise: Utilize and navigate enterprise-level payroll systems including Workday (for Canada payroll) and SAP (for UK Payroll) to maintain high data integrity.

  Promotion: Recently promoted as a Team lead handling team of 5 members for Canada payroll.

November 2021 - March 2024

- **Senior Service Delivery Partner**
  Neeyamo Enterprise Solutions
  Global HR & Payroll Management: Direct comprehensive Hire-to-Retire (H2R) operations for multiple multinational clients across the US and CAM VE regions, specializing in end-to-end employee lifecycle management.

  Core HR Lifecycle & Operations: Oversee critical HR functions including employee data management, strategic onboarding, separations, leave of absence (LOA), and complex absence management (including adjustments and carryover policies).

  US Payroll Specialization: Execute end-to-end US payroll workflows, including retroactive pay calculations, pre- and post-tax deductions, statutory garnishments, benefits integration, payroll inputs.

  HRIS & Tools Expertise: Utilize and navigate enterprise-level HR and payroll systems including Workday, Ehub, PayNComp, Docgen, and Neosuite to maintain high data integrity.

  Audit, Governance & Compliance: Lead internal audits, prepare performance governance decks (MVRs), and facilitate executive-level client reviews to verify process compliance and operational transparency.

  Stakeholder & Client Relations: Partner directly with global stakeholders and clients to manage service quality, resulting in sustained satisfaction and strong operational performance.

  SLA & Query Resolution: Manage and resolve complex payroll and HR inquiries within strict Service Level Agreements (SLAs), driving process efficiency and employee satisfaction.

  Analytics & Performance Reporting: Monitor and evaluate daily, weekly, and monthly operational reports to optimize team productivity, data accuracy, and service quality objectives.

  Promotion: Promoted as a senior specialist effective October 2023.
