PROFESSIONAL SUMMARY

Results-driven **Implementation Consultant with 3+ years of expertise** in end-to-end global payroll services, HRIS integrations (Workday, SuccessFactors), and complex multi-country implementations across EMEA and APAC regions. Proven track record of managing high-profile client relationships and driving process improvements to maximize productivity. Recognized for agile project execution and cross-functional leadership in fast-paced environments.

KEY SKILLS

Domain Expertise: End-to-End Payroll Processing, Multi-Country Implementations (EMEA & APAC), Compliance, Post-Go-Live Support.

Project & Client Management: Implementation Consulting, Project Planning & Tracking, Client Relationship Management, User Acceptance Testing (UAT), Risk Escalation & Mitigation.

Technical & Tools: Workday, SuccessFactors, Advanced MS Excel (VLOOKUP, Data Analysis), Word Processors, Google Suite.

Processes: Master data gathering, Time & Attendance Configuration, Product Testing & Post-Payroll Reporting.

PROFESSIONAL EXPERIENCE

Neeyamo Enterprise Solutions |Implementation Consultant | Sept 2022-Dec 2025

Core Responsibilities

- **End-to-End Process Management:** Gathered complex client requirements to configure payroll systems, managed Time & Attendance modules, and designed comprehensive post-payroll reporting structures.
- **Client Advisory & Enablement:** Acted as the primary point of contact for enterprise clients, addressing critical risks, updating project trackers, and delivering tailored system training to ensure smooth post-Go-Live transitions.
- **Mentorship & Training:** Provided training and mentored new joiners on country knowledge and system usage, enabling them to quickly understand the requirements.

Key Achievements & Impact

- **Global Implementations:** Successfully drove end-to-end payroll configuration and delivery for 6+ large-scale global implementations across the EMEA and APAC regions.
- **Enterprise Client Portfolio:** Served as the dedicated implementation specialist for prominent global clients, including **Unilever, Nielsen, Sanofi, GeoComply, and Flora Food Group among others.**
- **Award-Winning Execution:** Awarded the "Champion" title for orchestrating a rapid, high-impact HRIS implementation integrating Workday and SuccessFactors.
