SUMMARY

Finance professional with hands-on experience in financial planning, client risk assessment, KYC/document verification, compliance procedures, and end-to-end case management within the life insurance sector. Experienced in analyzing client financial profiles, liabilities, risk appetite, and investment requirements to provide suitable financial solutions. Skilled in Customer Due Diligence (CDD), identity and income verification, documentation management, financial and fund analysis, and operational risk controls. Currently seeking opportunities in AML, KYC, Fraud Risk, Risk Management, and Compliance, where strong analytical, documentation, and client-handling skills can be applied to support effective risk and regulatory processes.

PROFESSIONAL EXPERIENCE

Feb 2026 – Present

Executive Trainee – Relationship Manager
Aviva Life Insurance Company India

- Conduct financial needs and risk assessments by analyzing clients' financial profiles, liabilities, objectives, and risk appetite to recommend suitable financial and insurance solutions.
- Perform KYC and client due diligence activities, including verification and validation of Identity Proof, Address Proof, Income Proof, and other supporting documents in accordance with internal compliance requirements.
- Manage end-to-end documentation and case processing for New Business, Renewal, Surrender, and Maturity cases, ensuring completeness, accuracy, and timely submission of client records.
- Coordinate and schedule client medical examinations, track pending requirements, and ensure timely completion of documentation and verification processes for policy processing.
- Analyze and compare investment funds based on risk, performance, and client suitability, providing need-based recommendations aligned with the client's financial objectives and risk profile.
- Maintain accurate client records and operational data while following compliance procedures, documentation standards, data accuracy requirements, and regulatory guidelines, supporting effective risk management and operational controls.

INTERNSHIP PROJECT

Feb 2025 – May 2025

Open Wings Foundation
Project Title: Program Efficiency & Operations Coordination (FY 2023-2025)

- Assisted in managing operational activities and coordination for organizational projects.
- Worked on process improvement and resource management for better execution efficiency.
- Coordinated donation drive initiatives and managed activities from planning to execution.
- Handled communication and engagement activities to improve outreach and participation.

- Supported documentation, reporting, and coordination tasks across teams.
- Worked in a collaborative environment to achieve project goals within timelines.
