Objective

Recent MBA graduate looking to start a career in Anti-Money Laundering (AML) and Know Your Customer (KYC) roles. I aim to use my strong analytical skills and understanding of finance to help ensure compliance and protect the organization from risks. Excited to work with a team to support efforts in maintaining financial integrity

Internship & Project

- Internship at **Lokmangal Co-operative Bank Ltd, Solapur.**
- **Duration**: September 14th, 2023, to October 14th, 2023 (1 month)
- **Project**: Conducted a comprehensive study titled "A Study on Customer Preference and Perception Towards Lokmangal Co-operative Bank Ltd, Solapur." Utilized surveys and interviews to gather data and perform in-depth analysis of customer preferences and perceptions. Generated actionable insights to enhance customer satisfaction and improve the bank's services.

Other Academic Course

- **Tally Prime**
- Completed **CPBFI** Course by Bajaj Finserv, gaining training in communication skills and knowledge of the banking and insurance sector.
- **MS Office** (Excel, Word, Powerpoint)

Hobbies

- Learning new things
- Solving Rubik's Cube
