HRM Automation | Payroll | Compensation & Benefits | HR Operations

Professional Summary

I can manage a team or contribute individually to entire HR processes like HR Operations, Talent Acquisition & Talent engagement, I have 5 years of experience in the core HR fields, and I was the **W**itness of **A**utomation to the entire HR field in one of my previous organizations. I can successfully manage **P**ayroll for 6000+ employees Manually, Semi software- based, and Automated. I can align, lead, and grow automation in the HR department, I know the tips and tricks to crack the main challenges of the HR field.

Reach out if you are looking for a super motivated, enthusiastic teammate then surely, I am the better fit for your organization. In the **H**iring aspect, I have the cost structure of source-wise hiring, wherein I can help in with cost reduction in hiring efforts. In the **T**alent **E**ngagement Part, I have worked on employee retention plans to reduce the attrition percentage into a critical process wherein we measure the hiring cost vs Retention plan cost structure, wherein we analyzed that an old employee can deliver a better result as compared to a new one.

Career Highlights

- **HRMS Implementation: -** I have implemented internal end to end HRMS software in Technotask, as per the process requirement, I have coordinates between ITES & HR for the same. In six months of time, we successfully implemented the HRMS, which is also framed in my big achievement of life
- **Payroll: -** From the calculation of staff time from biometric dump to sending the bank file with accounts, I did entire activities into the same, like; Payroll Calculation (Incentive Calculation, TDS Calculation, Bonus calculation etc.), Compliance filing (Registration of PF, ESIC & NAPS/NATS, Challan filing of PF, ESIC, PT & LWF), I covered entire activities for 6000 employees in a month, I have prepared the payroll on Manual, semi-Automated & Automated basis.
- **Payroll Compliances**: - In Payroll Compliance part, I have managed a EPFO audit for organization to where I prepared the documents & data as per the EPF requirements & successfully got the green chit from the EPF authority, also have prepared the compliance forms, registers for client Audits, have worked Apprenticeship Payroll & Registrations for Trainee payroll and successfully got the Amount benefit of NAPS/NATS schemes.
- **Labour Laws: -** Well versed experience in labour laws-Legal compliances, have handled the legal cases of labour court and the 181 (CM Helpline), worked on settlements & calibration between the employee & employer & converted the DSAT to ESAT & worked to reduce the employee escalations, we have to upload the Payroll compliances on **Simpliance, Aprajitha & Karma** portals for our client Audit. also taken care the following acts:

    1. The Shops and Establishments Act
    2. The Minimum Wages Act, 1948
    3. The Payment of Bonus Act, 1965
    4. The Payment of Gratuity Act, 1972
    5. The Employees' Provident Funds and Miscellaneous Provisions Act, 1952
    6. The Industrial Disputes Act, 1947
    7. Employees' State Insurance Act, 1948 (ESIC)
    8. Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013 (POSH Act)

- **HR Operations: -** In HR Ops Part, I have worked on Onboarding, letter generation & background verification tasks,

  wherein I have to manage the entire thing manually (On Excel), for BGV we had the vendor on grid, we only have to provide the BGV form as per their format, they provide us the status of the same.
