PROFESSIONAL SUMMARY

Detail-oriented Payroll Specialist with 3.5+ years of experience managing end-to-end payroll for over 2000 employees across 20+ clients. Skilled in Ascent and GreytHR payroll software, with strong expertise in salary processing, statutory compliance, tax filings, and employee engagement. Known for maintaining confidentiality, accuracy, and on-time delivery.

PROFESSIONAL EXPERIENCE

Payroll Specialist
Nexdigm (SKP), Feb 2022 – Present

- Processed payroll for 2000+ employees across 20+ client organizations using Ascent and GreytHR systems.
- Filed quarterly Salary TDS returns and assisted with Form 16 generation and distribution.
- Handled statutory compliance including PF, PT, TDS, and Labour Welfare Fund (LWF); ensured timely challan preparation and submission.
- Validated investment proofs during annual tax declaration periods and responded to tax-related queries from both local and expatriate employees.
- Maintained a high level of data confidentiality, accuracy, and compliance across all payroll functions.
- Attended regular client calls, maintaining direct communication to address payroll concerns and ensure smooth coordination.
- Conducted onboarding sessions for new joiners, explaining CTC structure, payroll components, and HR policies.
- Managed complete onboarding processes: from documentation to updating systems, ensuring timely and accurate data integration.
- Supported leave and attendance management for clients, aligning these with payroll calculations.
- Trained new team members on payroll processes and tools; actively participated in payroll software implementation projects.
- Ensured 100% error-free payroll delivery through meticulous reconciliations and proactive follow-ups.
- Provided timely resolutions to help desk queries, maintaining turnaround times (TAT).
- Took initiative in cross-functional tasks, demonstrating ownership, accountability, and a commitment to team success.
- Participated in organizing and supporting employee engagement activities and cultural events.
