PROFESSIONAL EXPERIENCE

State street - Pune Dec 2021 - Jan 2024
Associate 2

• Supported trade lifecycle processes including clearing, settlement, pre-matching, and confirmation for multi-asset portfolio.
• Monitored post-trade business activities, including trade and position checks, broker limit monitoring, credit ratings, leverage/overdraft assessments, and global exposure through commitment approaches.
• Designed, tested, and automated customizable compliance reports, enhancing transparency and efficiency while addressing and resolving non-compliance issues.
• Investigated investment breaches, conducted detailed root cause analysis, and implemented corrective measures to mitigate operational risks and ensure timely resolution.
• Collaborated with stakeholders, including investment managers and onshore teams, to maintain data accuracy and alignment with client requirements.
• Investigated trade discrepancies through root cause analysis and communicated findings with brokers and custodians for timely corrections.
• Leveraged Charles River Development, Bloomberg Terminal, and MyStateStreet Compliance Dashboard to ensure accurate compliance oversight, streamlined reporting, and informed decision-making.
• Developed and maintained detailed audit trails and rule transparency, ensuring consistency, scalability, and alignment with evolving regulatory landscapes.
• Proactively participated in team efforts to enhance operational processes, achieving seamless integration with accounting systems to deliver value-driven solutions.
