## ASSIGNMENT WORKED ON:

a. Facilitated the incorporation of Private Limited and Public Limited Companies, ensuring compliance with the Companies Act, 2013.
b. Skilled in legal drafting and e-filing under IBC and Oppression & Mismanagement matters, with experience coordinating litigation before High Courts and the Supreme Court, including brief preparation, strategy alignment, and compliance management.
c. Drafted and reviewed a wide array of legal agreements and government correspondences, including SPAs, LLP and service agreements, MOUs, deeds, and regulatory communications.
d. Successfully managed a promoter-led share purchase transaction, enabling the exit of a financial institution through comprehensive due diligence, regulatory compliance, and coordination with legal and financial advisors.
e. Independently handled the complete dividend distribution process for an unlisted public company, including board documentation, bank coordination, shareholder payouts, and statutory compliance under the Companies Act, 2013.
f. Coordinated with banks for loan processing, renewals, and compliance, ensuring timely documentation, sanction follow-ups, and smooth disbursement through effective liaison with credit officers.
g. Successfully submitted a stamp duty exemption application by ensuring accurate documentation, compliance with state-specific criteria, and effective coordination with authorities.
h. Coordinated with banks for the release of pledged shares by ensuring loan repayment compliance, timely documentation, and smooth execution of depository and regulatory procedures.

i. Conducted end-to-end due diligence of companies and prepared detailed reports in coordination with consultants to ensure regulatory compliance.
j. Drafted meeting documents including notices, agendas, resolutions, and minutes for Board, General, and committee meetings in adherence to ICSI Secretarial Standards.
k. Independently conducted Board and General Meetings (physical and virtual), managing end-to-end meeting processes, coordinating with key stakeholders, and ensuring statutory compliance and effective communication.
l. Maintained and prepared statutory registers, minutes books, and other corporate records.
m. Handled LLP and company compliance tasks including e-form filings, LLP conversions, share transactions, CSR policy drafting, secretarial audits, and share capital restructuring with MOA/AOA amendments.
n. Provided assistance in company closure processes and backend Director appointments.
o. Managed intimation and changes in management of NBFC to the Reserve Bank of India.
p. Filed Foreign Liabilities and Assets (FLA) returns.
q. Managed comprehensive MCA and secretarial compliance, including auditor and director filings, share capital changes, charge management, drafting statutory documents, MCA portal tasks, and FLA filing for LLPs.
