SUMMARY

Aspiring Risk Management professional with a Post Graduate Diploma from the Global Risk Management Institute and a Bachelor's degree in Financial Markets. I possess a strong understanding of risk management principles and excel in teamwork and adaptability. I am driven to leverage my leadership and problem-solving skills, along with technical expertise in data analysis, risk mitigation, and regulatory compliance. My theoretical knowledge in risk management frameworks and laws enables me to navigate complex risk scenarios in dynamic business environments. My goal is to contribute to the development and implementation of risk management strategies that safeguard organizational assets and promote sustainable growth.

EXPERIENCE

Associate Intern, Supplier Relationship Management

Accenture

08/2024 - 10/2024 Gurgaon, India

- Led a high-performing team to optimize vendor onboarding processes, successfully engaging and integrating multiple suppliers for Accenture within a two-month timeframe.

Assistant Manager, Outsourcing & BCP

YES BANK

05/2025 - Present Mumbai, India

- Executed quarterly RBI-mandated reviews for over 100+ vendor agreements, ensuring regulatory compliance and strengthening operational risk management at Yes Bank.
- Conducted biannual business impact analysis reviews and tested 5 BCP sites and city plans, enhancing Yes Bank's disaster recovery preparedness.
- Enhanced vendor risk mitigation by establishing a quarterly review, Updating Caution List for Blacklisted Vendors and categorization process for 20+ vendors, ensuring their empanelment status was updated in strict adherence to the RBI guidelines at Yes Bank.
- Performed critical location testing, including 10 link failovers and power capacity checks, to maintain operational continuity at Yes Bank.
