CARRER OBJECTIVE

To pursue a challenging career wherein I will learn continuously and grow consistently and value to the organization through my capabilities & learning.

WORKING EXPERIENCE

JAYA HIND INDUSTRIES PVT LTD (Akurdi, pune)

Duration: From February 12th 2024 to present.

Designation: Design Engineer

Company profile: -

Jaya Hind Industries Ltd operates as a metal processing company. The Company specializes in high pressure, gravity, and tool manufacturing die casting services. Jaya Hind Industries provides cylinder blocks, bed plates, oil pans, and crank cases.

Key responsibility:

- Timely and efficiently responsible for complete functioning design of PDC die.
- Preparing the casting and machining 3d model.
- All type of PDC Die design with in the given time period, two plate ejection, slider ejection, squeeze ejection.
- Core &Cavity extraction for component
- Maintaining documentation in design department
- To make the drawings as per guidelines
- 2d & 3d comparison preparing DFM & ECN report.
- Done 2D (Customer Casting Drawing of Product)-3D (Our 3D Model of Tool-Dies of that Product) Comparison and Make PPT for Corrective Action and also Making SIR.
- Create and check assembly layouts and detail part drawings (Drafting)
- Prepare Bill of raw material
- To handle day to day drawing requirement
- To attend the customer complaints. Analyses the root cause and implement the correction

Company profile: -

Sankalp technologies specializes in Design, Development and manufacturing Pressure Die Casting, Gravity Die Casting, Foundry tooling's, Rubber Molds.

Duration: From JAN 1 2021 to February 2024.

Designation: Senior Design Engineer

Key Responsibility: -

- Timely and efficiently responsible for complete functioning design of PDC die
- Casting model & machining model preparation as per die design guidance.
- To handle the design team.

- ❖ Core &Cavity extraction for component.
- ❖ Maintaining documentation in design department
- ❖ 2d & 3d comparison preparing DFM & ECN report.
- ❖ Prepare Bill of raw material
- ❖ To handle day to day drawing requirement

TEJAS MOULD (Pune)

Tejas mould specializes in Design, Development and Manufacturing of plastic injection moulds for Automobile components.

Duration: - From 15th June 2019 to 20th Dec 2020

Designation: - Jr. Design engineer.

Key Responsibility: -

- ❖ Timely and efficiently responsible for complete functioning design of PDC die & injection Molds,
- ❖ Create and check assembly layouts and detail part drawings (Drafting)
- ❖ ❖ Core &Cavity extraction for component.
- ❖ Design secondary tooling components such as EDM electrodes & 2d electrode sheet ❖ Prepare Bill of raw material
- ❖ Wire cut data
- ❖ 2d & 3d comparison preparing DFM & ECN report.

SOFTWARE KNOWLEDGE

- ❖ Unigraphics NX (4 Year experience).
- ❖ CATIA (2 year)
- ❖ AutoCAD (3-year experience).

ACADEMIC QUALIFICATIONS

Qualification	Name of the University	Name of the Institution	Year	Percentage (%)
Mechanical Engineering	**Savitribai Phule Pune University**	**Alard College of Engineering & Management**	**Expected graduation: April/May 2026**	**-**
DIPLOMA (Mechanical)	Department of Technical Education Karnataka	H.K.E.S Polytechnic Gulbarga	2018	69%
SSLC	Karnataka Secondary Educational Board	Sri Sidlingeshwara High School Siddeshwara Bhalki	2013	50%

ACADEMIC PROJECT:

AMES: Automation of a Drilling Machine using Pneumatic Devices

DESCRIPTION: Pneumatic system to convert existing conventional drilling machine in to automated drilling machine the automation strategy when the implanted is believed to result in reduce the cycle time , cost, increase productivity.
(Team Size: 4)

PERSONAL INFORMATION

- Date of Birth : -30-01-1998.
- Permanent Address : - House no 18/42 saradar patel chowk humnabad ,dist;-bidar, karanataka -585330
- Present Address : - Ajinkya Swapna park House no 6 ground floor, swapna park kate puram road, Near 10 Elite apartment, Maharashtra pune (411061)
- Marital status : -Single`
- Nationality : -Indian
- Language Proficiency: - kannada, Hindi ,English

I hereby declare that all the information provided above is true to the best of my knowledge and belief.
