PROFILE SUMMARY

Detail-oriented Payroll & Product Specialist with 2.6 years of experience in end-to-end, multi-country payroll processing and compliance management across APAC & EUR regions. Skilled in system configurations, payroll automation, compliance filing and tax/statutory calculations ensuring accuracy & timely delivery. Experienced in client coordination and collaborating with global teams to maintain compliant payroll operations.

Seeking a Payroll Specialist role to contribute and grow with a performance-driven organization.

EXPERIENCE

Payroll & Product Specialist June 2023 - Present
NEEYAMO ENTERPRISES SOLUTIONS LTD. *Nagpur, India*

HONG KONG PAYROLL :

- Manage end-to-end Hong Kong payroll operations including statutory filings, tax submissions, and system configurations.
- Ensure 100% accuracy in payroll data delivery and timely payroll delivery through effective coordination with global clients.
- Provide expert guidance on payroll systems and compliance requirements, staying aligned with evolving Hong Kong payroll laws and legislative changes.
- Key participant in the BIH(Bring-In-House) automation project, independently developing payroll report automation, configuring bank files, and optimizing within payroll calculations the system.
- Independently manage MPF & ORSO contribution filing via eMPF portal following successful BIH transition.
- Supported newly established employers with onboarding processes — registering on eMPF and eTax (IR56) portals, enabling smooth annual filings and reducing manual procedures.
- Handled critical clients during the implementation and hyper-care phases, ensuring client satisfaction and smooth payroll delivery.
- Filed IR56 E, F, and G forms for employee registration and deregistration in compliance with Hong Kong tax requirements.
- Educating clients on new functionalities in payroll system and statutory compliance changes, including the launch of eMPF, BTP & ITP portals.

VIETNAM PAYROLL :

- Managed end-to-end Vietnam payroll operations for a critical client, ensuring 100% accuracy and timely fulfillment of client requirements.
- Processed employee registrations and deregistrations for social and unemployment insurance and ensured prompt delivery of Social Insurance (SI) books to exiting employees.
- Assisted clients with dependent registrations for employees as per local statutory requirements
- Accurately calculated Personal Income Tax (PIT) for both resident and expatriate employees, ensuring compliance with Vietnamese tax laws.
- Computed maternity and paternity leave benefits in accordance with statutory regulations.
- Delivered monthly PIT return reports, HCM cover letters, and 05KKTNCN reports to clients, ensuring full compliance with government reporting standards.

SKILLS

- **Technical Skills –** Payroll system configuration, Payroll automation, MS Excel, MS Word, MS Powerpoint, .
- **Soft Skills -** Client Management, Compliance Management, Communication skills, Analytical & Problem-Solving Skills, Cross-functional Collaboration, Client Relationship Management, Adaptability in Dynamic environments.
- **Tools -** PayNComp (PNC), Payroll 3.0

PROJECTS

A) BIH (Bring-In-House) PROJECT :

1) **Croatia (EUR) –** Played a key role in successfully bringing Croatia payroll operations in-house, eliminating dependency on external SMEs, consultants, and vendors, resulting in significant cost optimization for the organization.
   - Independently automated the Payroll Calculation Engine by configuring Croatian Social Security – Employee & Employer Contribution (Pillar I & II) & Income Tax Calculations for various clients.
   - Automated Standard payroll reports, Custom payroll reports including XML format bank files including – Statutory & Net payment bank files.
   - Ensured accuracy, compliance and smooth transition from external vendors to internal payroll processing.

2) **Hong Kong (APAC) -** Successfully led the initiative to bring Hong Kong payroll compliance in-house, by the following :
   - **In House Salary Disbursements -** Automated salary payment bank files in coordination with the bank partner, enabling seamless and timely salary disbursement without third-party dependency.
   - **Statutory Payments -** Collaborated closely with banking partners to process MPF and ORSO payments, ensuring statutory compliance and on-time submissions.
   - **eMPF & eTAX portal registration -** Assisted both new and existing clients with – eMPF portal registrations, eTAX portal access, ITP account setup & login support.
   - **IR56 form filing -** Successfully completed & submitted IR56 E/F/G forms filing to the Hong Kong IRD (Inland Revenue Department) on behalf of the customers.

   These above BIH initiatives delivered cost savings, reduced dependency on local country partners and strengthened in-house payroll capabilities while enhancing my domain expertise and confidence in handling complex global payroll operations.

B) PAYROLL SYSTEM MIGRATION 1.0 TO 3.0

Independently led the successful migration of clients from Payroll system version 1.0 to 3.0, enabling improved efficiency, accuracy and system performance while ensuring uninterrupted payroll delivery.

APPRECIATIONS & CERTIFICATIONS

- Recognized by the senior management for successfully executing the first timely salary disbursement during the Hong Kong BIH transition.
- Appreciated by the Client for smooth and compliant MPF submissions following to the eMPF portal onboarding.
- Received appreciation for successfully completing rapid implementation and system configuration within one-month timeline, ensuring accuracy, compliance and operational readiness.
- Best New Hire Certification 2023
