Indian

With over 1 year of experience in KYC, I excel in Screenings, Amendments, Hierarchies, Client off boarding, and remediation projects. My expertise lies in KYC and AML reviews in investment banking industry techniques. I possess a strong command over managing all aspects of KYC processes and have consistently delivered successful projects. I am seeking an opportunity to contribute my skills and proven track record in efficiently completing KYC projects or any other projects related to investment banking as well as financial markets.
