About Me -

Hi, I am an enthusiastic and detail-oriented HR professional with 8 months of hands-on experience as an HR Trainee. During this time, I have developed foundational knowledge in core HR functions including recruitment, onboarding, employee engagement, and HR operations. I am proficient in using HRMS tools and comfortable working in a dynamic, team-oriented environment. My strong communication skills and willingness to learn have helped me support various HR initiatives effectively. I am now looking to grow further in the HR field and contribute meaningfully to a progressive organization.
