INTERNSHIPS

1) Brick & Bolt, Bengaluru *Intern – Legal & Compliance [January – March 2026]*

- Drafted end-to-end commercial bi-party and residential tripartite construction agreements, service agreements, freelance contract, Channel Partner MOUs, third-party LOUs, work orders, reply notices, holding notices, rejoinders, and prepared termination/warning emails for contractors.
- Managed labour and statutory compliance, including shop & establishment registrations, display of abstracts while coordinating with external labour compliance vendors; prepared contractor compliance checklists, and independently handled 5 real-time compliance cases.
- Reviewed board minutes and notices to prepare a corporate compliance tracker for monitoring statutory and governance action items; Revised internal ESOP policy; prepared documentation framework for SHE-BOX and POSH Committee compliance.
- Developed SOP for excess payment reversals, updated cancellation/refund policy, and managed company trademarks and legal representations.
- Researched the applicability of RERA, analysed key changes under the DPDP Act, and reviewed regulatory guidelines governing payment aggregators and payment gateways.

2) Inventus Law Technology Partners, Bengaluru *Intern – M&A, PE-VC [June 2025]*

- Conducted research on compulsory convertible debentures, compulsory convertible preference shares, convertible notes, simple agreement for future equity, clauses under national venture capital association model documents such as information rights, pre-emptive/pro-rata rights, dividend preferences and pay-to-play provisions, including founder/reverse vesting clauses, and section 228 of the delaware general corporation law relevant to startup structuring and investor protections.
- Delivered a presentation on types of securities in India, director loans in India, and engaged in a mock negotiation of a series of seed venture capital term sheets for a deep-tech logistics startup, representing investor interests.
- Drafted key transactional documents, including stock option agreements, promissory notes, incorporation certificates, signature packets, action of incorporator, bylaws, indemnification agreement, resignation letter, repurchase notice, and India-US form templates.

3) DSK Legal, Mumbai *Intern - Corporate/M&A (Mr. Gaurav Mistry) [December 2024]*

- Reviewed and revised key corporate agreements, including share subscription agreement, shareholders agreement, key personal employment agreement, and articles of association amendments.
- Analysed joint venture agreement and proofread commercial contracts, including leave and license agreement; researched SEBI updates, enhancing transparency in offshore derivative instruments, streamlining compliance requirements, and providing clarity on segregated portfolios
- Assisted in routine MCA compliance, including ROC filings, drafting resolutions, and reviewing company data, and prepared a list of documents, a summary of services and drafted a research brief on whether a public trust entity can be converted into a private trust.

4) **Indian Journal for Research in Law and Management** *Intern - [March 2024]*

- Conducted in-depth research on the impact of fintech regulations on M&A trends and analysed the role of CCI and SEBI in hostile takeovers.

5) **Satyamev Associates, Delhi** *Intern - [January 2024]*

- Researched cross-border arbitrations, assisted in drafting non-disclosure agreements, worked on Order 7 Rule 11 applications and NCLT matters involving shareholder disputes, and prepared preliminary notes and legal issues for arbitration proposals discussed in client meetings.

6) **Tandon Law Associates and Solicitors, Varanasi,** *Intern - [July 2023]*

- Took detailed client briefs, observed and noted key aspects of court proceedings, assisted in seeking passovers during hearings, and gained practical insight into the process and requirements for advocate empanelment on bank legal panels.

7) **National Commission for Protection of Child Rights, Delhi** *Intern – [June 2022]*

- Researched child rights laws and welfare policies, made summon calls and prepared action taken reports, and participated in raids and field visits to understand ground-level child rights violations.
