PROFILE

Payroll Specialist with 4.5 years of experience managing high-volume, end-to-end payroll operations across IT Services and Manufacturing sectors. Expertise **in compliance management and payroll system optimization.** Proven track record of improving efficiency and accuracy:

- Reduced overall processing time through the implementation of automated workflows.
- Maintained a consistent 99.9% data accuracy rate across all payroll cycles.

WORK EXPERIENCE

Paysquare Consultancy Pvt Ltd MAR 2024 - PRESENT
Senior Analyst - Payroll

- Managed **end-to-end payroll processing** for 2,000+ employees across a leading multinational corporation, ensuring timely and accurate execution for diverse employee types (stipend, IT staff, and plant workers).
- Reduced overall payroll processing time by 50% through process re-engineering and the elimination of redundant tasks.
- Managed the creation and ongoing maintenance of **core HR databases**, including employee master, retrial master, and comprehensive personnel records.
- Managed end-to-end administration of employee **attendance, leave accruals, and master payroll records.**
- Managed, preparation and verification of diverse **payroll documentation**, including salary registers, CTC reports, salary JV reports, reimbursements, and tax reports, ensuring data accuracy and compliance.
- Managed end-to-end processing of **all quarterly ITR reports**, resulting in zero errors for **Form 16 releases** impacting 2000+ employees.
- Addressed and resolved diverse employee concerns regarding payroll discrepancies, tax calculations, and reimbursements.
- Collaborated with cross-functional clients to meticulously gather and verify all payroll inputs, consistently ensuring 100% accuracy in meeting their processing requirements.
- Executed accurate calculations for all employee **exit components, including F&F settlements, statutory gratuity, and leave encashment.**
- **Recognized twice within one year with the "Spot On" award for exceptional accuracy and efficiency in** payroll processing, exceeding performance benchmarks

Paysquare Consultancy Pvt Ltd MAY 2019 - OCT 2020

Associate Statutory Compliance.
