SUMMARY

HR Recruiter with 1+ year of experience in end-to-end recruitment across IT and Non-IT domains. Skilled in sourcing, screening, and coordinating interviews. Currently in the final stage of payroll training with strong understanding of salary structure, statutory compliance (PF, ESIC, PT), and payroll processing basics. Seeking opportunities in HR operations, recruitment, and payroll.

EXPERIENCE

HR: Payroll & Compliance

The HR Group

01/2026 - 04/2026

- **Completed HR Payroll & Statutory Compliance training under the guidance of Tejas Katore** https://www.linkedin.com/in/tejas-katore-349643199/ where I learned the following:
- **Payroll & HR Operations Training:**
- Completed practical training in HR Payroll & Statutory Compliance with exposure to end-to-end payroll processing.
- Performed salary calculations, payroll processing, and payslip preparation using MS Excel.
- Designed CTC structure and salary breakup including earnings, deductions, and net pay.
- Maintained employee master data, onboarding documentation, and HR records.
- Worked on leave management system (LMS) and payroll inputs.
- **Statutory Compliance & Taxation:**
- Knowledge of PF, ESIC, PT (Maharashtra), and LWF compliance including contribution calculations.
- Understanding of Income Tax (TDS), investment declarations, and basic tax computation.
- Familiar with Minimum Wages Act and statutory requirements.
- **Payroll & HR Operations:**
- Understanding of complete payroll cycle from onboarding to salary disbursement.
- Processed Full & Final Settlement (FnF) including leave encashment and final payout.
- Generated payslips and basic MIS reports for payroll activities.
