Professional Summary

An early-career legal and compliance professional with experience spanning corporate legal affairs, regulatory compliance, contract management, banking coordination, and dispute resolution. Currently serving as an In-House Legal & Compliance Officer, managing legal, regulatory, and compliance matters relating to FEMA regulations, cross-border transactions, digital asset operations, banking investigations, and cybercrime-related issues.

Experienced in drafting, reviewing, and negotiating commercial agreements, legal notices, declarations, undertakings, and corporate correspondence, while coordinating with banks, financial institutions, regulatory authorities, law enforcement agencies, and external stakeholders on compliance, investigation, and risk-management matters. Possess practical exposure to account compliance reviews, lien removals, regulatory inquiries, fraud investigations, and cyber complaint resolution processes.

Committed to delivering legal support while maintaining high standards of compliance, professionalism, and risk management. Seeking opportunities to further develop expertise in corporate law, regulatory compliance, financial services, and dispute resolution.

Experience

In-House Legal & Compliance Officer, 02/2026 – Current
Jagjit Ventures Private Limited – Pune, Maharashtra

- Manage legal, regulatory, and compliance functions for a private company engaged in cryptocurrency trading, digital asset investments, e-commerce, trading activities, and management consultancy services.
- Handle legal and compliance matters relating to FEMA regulations, cross-border transactions, foreign remittances, and regulatory reporting requirements.
- Coordinate with banks, financial institutions, payment service providers, and regulatory authorities regarding account compliance reviews, lien removals, transaction monitoring, and related investigations.
- Manage cybercrime and fraud-related matters, including liaison with Cyber Crime Cells, law enforcement agencies, banks, and legal professionals for complaint resolution, account unfreezing, recovery efforts, and regulatory compliance.
- Draft, review, and negotiate a wide range of legal documents, including commercial agreements, service contracts, notices, undertakings, declarations, legal responses, and corporate correspondence.
- Conduct legal research and provide guidance on regulatory, contractual, compliance, risk management, and digital asset-related matters.
- Assist in handling regulatory inquiries, investigations, and information requests from government authorities and financial institutions.
- Maintain legal records, compliance trackers, case files, and corporate documentation while ensuring adherence to applicable legal and regulatory requirements.
- Support management in indentifying legal risks and implementing compliance measures relating to financial services, digital assets, and business operations.

HR Intern - CEO's Office Intern, 08/2025 – 10/2025
Xponentium India – Gurugram, Haryana

- Assisted the end-to end recruitment cycle by screening resumes, conducting initial evaluations, scheduling interviews, and maintaining smooth, timely communication with applicants.
- Took the lead in conducting screening for senior level roles, strengthening professional communication, stakeholder coordination, and candidate skill assessment.
- Supported on-boarding and employee documentation by maintaining accurate records, preparing HR documents, and ensuring seamless joining formalities.
- Worked directly with the CEO on drafting and vetting contracts such as MSAs, NDAs, and SOWs, ensuring key clauses protected business interests during negotiations.
- Collaborated cross-functionally with HR, Finance, and Operations teams to streamline processes, improve workflow efficiency, and uphold legal and organizational compliance.
- Provided administrative and operational support for HR initiatives, in handling internal HR queries with professionalism.
- Managed confidential information with integrity, accuracy, and strong organizational discipline in a fast-paced startup environment.

Legal Intern, 08/2024 – 11/2024
Modalex & Co. – Pune, Maharashtra

- Conducted in-depth legal research across commercial, intellectual property, fashion and employment laws to support client advisory, compliance assessments, and policy reviews.
- Drafted and reviewed service agreements, NDAs, and internal compliance documents, ensuring clarity, accuracy, and alignment with organizational and client objectives.
- Performed comparative legal analysis across multiple jurisdictions, identifying key regulatory variations and presenting findings in clear, actionable formats for client briefs.
- Assisted senior lawyers in preparing legal opinions and summaries by distilling complex statutory and case-law research into concise, client-ready insights.
- Supported contract vetting workflows by verifying legal risks, ensuring adherence to standard clauses, and maintaining version-controlled documentation.
- Coordinated with team members to ensure timely completion of research tasks, contributing to efficient matter management and high-quality deliverables.

Legal Intern, 04/2024 – 05/2024
Rishabh Gandhi & Advocates – Pune, Maharashtra

- Conducted comprehensive legal research on company law, arbitration, and trademark disputes to support ongoing cases and strengthen advisory deliverables.
- Assisted litigation teams by analyzing case facts, identifying core legal issues, and contributing to strategy development for effective dispute resolution.
- Researched trademark registration procedures, office actions, and compliance requirements, providing well-reasoned inputs to guide client filings and risk mitigation.
- Prepared concise, structured, and actionable research briefs that supported informed decision-making in arbitration and trademark maters.
- Reviewed and assisted in drafting legal documents, including contracts, notices, and case summaries, ensuring accuracy, clarity, and alignment with statutory requirements.
- Coordinated with senior associates on comparative legal analysis across jurisdictions, helping identify regulatory differences relevant to client matters.
- Maintained organized documentation, case records, and research outputs with high attention to detail and adherence to confidentiality protocols.
