RESUME SUMMARY

MBA Finance graduate with hands-on experience in taxation, financial reporting, and data reconciliation. Skilled in working with structured data, tracking financial information, and coordinating with teams to ensure accuracy and timely delivery. Comfortable using Excel, Tally, and Winman for analysis and documentation. Detail-oriented and proactive, with a strong interest in financial operations and consulting-based roles.

EXPERIENCE

Billion BaseCamp — Tax Associate Intern (On-site) *Jun 2025 – Aug 2025*

Tax Compliance & Filing

- Prepared and filed Income Tax Returns (ITRs) for 45–60 clients, including salaried individuals, professionals, and capital market investors.
- Reduced rework and client follow-ups by ensuring high first-time accuracy aligned with AIS and Form 26AS data.

Data Reconciliation & Tools

- Used Winman software to reconcile AIS and Form 26AS, improving accuracy of tax computations by approximately 20–25%.
- Integrated capital gains data through CAMS, KFintech platforms, enabling faster and error-free filings during peak deadlines.

Process Improvement & Documentation

- Designed structured computation sheets and filing trackers that improved turnaround time by 15 to 20% for the tax filing process.
- Maintained organized documentation, supporting smoother audits and internal compliance reviews.

Rinki Gupta & Co., Chartered Accountants — Accounting Intern (On-site) *Jul 2022 – Feb 2023*

Accounting & Financial Reporting

- Assisted in preparation of financial statements and schedules for 20+ clients across service and trading sectors.
- Helped standardize working papers, reducing time spent on routine accounting tasks by 15%.

Taxation & Compliance Support

- Supported GST and Income Tax return filings for more than15 clients, contributing to timely statutory compliance.
- Improved data accuracy by cross-verifying returns with supporting documents and ledgers.

Audit Assistance

- Assisted in handling client requirements and followed up for missing financial information.
- Improved file organization, enabling faster access to audit evidence during review cycles.

SKILLS

- Tools & Technical: MS Excel (basic functions and data handling), Tally ERP9, Winman
- Core Strengths: Data accuracy, Financial documentation, Basic reporting, Reconciliation, Agile, Good Communication, Team coordination, Time management, Attention to detail.
