WORK EXPERIENCE

Financial Analyst | Eclerx | Pune
May 2025 – Present

- Conduct End-to-End KYC activities for client onboarding and periodic reviews, including Customer Due Diligence (CDD), Enhanced Due Diligence (EDD), Ownership Structure/UBO Verification, Risk Assessment, and document verification to ensure compliance with regulatory and internal requirements.
- Perform Independent Level Quality Assurance (ILQA) reviews by validating AML/KYC documentation, identifying documentation gaps, ensuring regulatory adherence, and maintaining audit readiness prior to case completion.
- Conduct Name Screening, Sanctions Screening, PEP Screening, and Adverse Media Screening to identify potential financial crime risks, investigate alerts, and escalate high-risk customers in accordance with AML policies.
- Maintain a 99% quality score while ensuring accurate case reviews, timely completion of KYC activities, and adherence to internal quality standards and regulatory requirements.
- Utilize industry-standard AML/KYC tools such as Lexis Nexis, World-Check, Aware, Akrit, and GDS to perform customer due diligence, screening, document verification, and AML/KYC investigations.

Sales Executive | ICICI Bank | Vadodara
Feb 2018 - Aug 2018

- Assisted in customer onboarding and KYC documentation verification for salary Account.
- Handled client interactions while maintaining regulatory and operational accuracy.
